The above fees are contingent upon collection, and the use of the Outsource program is available for all accounts referred. If utilized, all referred accounts will be processed through the Outsource program using the applicable contingency fee for the full 60 day program, prior to becoming Collection accounts with UCS at the applicable Collection contingency fee.

Sample Contingency Fee Calculation

- 1) If an account is under 46 days old (from the date of service) when referred, it will receive a contingency fee of 10% for all payments reported/applied within the initial 60 days. After the 60 days have been completed, the account will migrate to the Collection Contingency fee of 15% on any payments reported/applied thereafter.
- 2) If an account is 46 to 90 days old (from the date of service) when referred, it will receive a contingency fee of 12% for all payments reported/applied within the initial 60 days. After the 60 days have been completed, the account will migrate to the Collection Contingency fee of 15% on any payments reported/applied thereafter.
- 3) If an account is 91 days old or more (from the date of service) when referred, it will receive a contingency fee of 14% for all payments reported/applied within the initial 60 days. After the 60 days have been completed, the account will migrate to the Collection Contingency fee of 15% on any payments reported/applied thereafter.
